CONTEMPORARY SEMI-DETACHED HOME!

Newly built 3+1 bedroom home! The main floor welcomes you with 10 ft ceilings, a bright south facing living room that leads into a chef's dream kitchen, including state of the art appliances. Perfect house for entertaining, with quartz counter tops, lots of storage and separate dining area. Upstairs, the master boasts a large walk-in closet and an indulgent 5 piece ensuite with dual vanities, separate soaker tub, shower and skylight. 2 more generous sized bedrooms, 4pc. bath & laundry room complete this level. The basement is fully finished with perfect for winter, radiant in-floor heating, an additional bedroom, full bathroom and a rec room that includes a wet bar. Extra amenities include built-in speakers throughout the house, a roughed in vacuum system & a double detached garage.
